

# GGAA Newsletter 21 January 2021

Spring is on its way!

Dear Plotholders,

We hope you are well and we welcome a few more new plotholders to our site.

## Rents

For the first time ever we have only one and a half plots available this year after letting three in the last few weeks. Our waiting list stands at 74 which is the highest it's ever been.

Thank you to all those who have already paid your plot rent for this year and a reminder to those who have not paid yet that you need to do so by the end of January.

We did post out all the bills in November of last year. If you didn't receive your bill please email [sarathbells@gmail.com](mailto:sarathbells@gmail.com) and Sara will email your bill to you. Or if you have not paid because you are giving up your plot, please let Sara know ASAP using the email above.

## Trading Hut

We opened last weekend and as promised in our last newsletter, we now have a card machine! Hopefully this will help you and us.

Seed potatoes will be arriving at the end of this month. If you've pre order, Anna will be in touch with you.

The hut has a great selection of seeds and please let Anna know if you are looking for anything in particular and that goes for anything else you think might be useful to stock in our shop.

I'd like to thank Anna, David and Lola for re painting the inside of the hut, even the floor. It's looks fabulous and has brightened it up.

We have some wall space which we thought would be nice to put photos up that you may have taken of the site or your plot. If you are able to print your favourite photo or email it to Sara on the email address above, we will print it for you.

Opening times for the hut are 1.30 - 3pm on a Saturday and 11.30 - 1pm on Sunday.. The summer opening hours will be the same this year

**Please remember to wear a face mask** when you enter the trading hut and we can only have **one person in at a time.**

Many thanks  
GGAA
